Details about counselling for admissions, important notices issued regarding running schemes and several other details are found on the MP scholarship portal. MP Scholarship Portal - FAQs The students who have applied for a scholarship on the MP scholarship portal can check their application status through the portal itself. Under the Student Corner, there is an option of 'Track Application Status' from where the candidates can track their scholarship application status of respective scholarships. They need to provide their applicant ID and password to get the latest status. Once the student gets registered on the MP scholarship portal, an application ID is generated which is required to login to the user dashboard and track the application status. It is a 7-digit number that students should keep intact for further usage. In case a student forgets his/her applicant ID/scholarship ID, he/she can recover it online through the MP scholarship portal. Under the student corner, there is a section of 'Search Student Record' from where the applicant details can be recovered. Students just need to provide a minimum of 3 letters of their first name, select their category and district, and click on 'Search Details'. The students who have lost or forgotten their passwords of MP scholarship portal can recover it online through the 'Recover Password' section under the student corner. There are two approaches to recover the password - traditional old criteria and new criteria. If a candidate selects the traditional old criteria, he/she needs to select the category, fill name, date of birth and mobile number to reset the password. However, if he/she selects the new criteria, then first name, Samagra ID, father's name, and date of birth are required to reset the password.
